Larry Kliewer W6BSB - \$24.00

Robert Schulz KC6UDS - \$24.00

Pending Checks:

None.

Repeater trustee Steve Dold W6KCS reported that the W6YAR repeater is working fine. While on-site he noticed a rodent problem and mitigated it. Picture is posted on the MVRC/YARS facebook page.

President Gary Matteson WA6TQJ reported that online payments aren't available yet. He will mail ballots to members to be returned with dues payments to his home address.

President Gary Matteson WA6TQJ repeated that there will be no Field Day this year. Mention was made of a club aggregate option where individuals could operate under their call sign and designate a club to include their points in the club's aggregate score. He also mentioned that a San Francisco club had requested use of the 2m repeater to cover the Capay Valley.

Membership moved to Zoom where President Gary Matteson WA6TQJ gave a presentation on "Electromagnetic Energy from Radio to Gamma Rays."

Members moved back to the K6MVR repeater to close the meeting. Members were reminded about dues and voting by mail.

Meeting adjourned approximately 2030 hours.
