YARS/MVRC Treasurer's Report  
November 2020  
N/A

Repeater Trustee Steve Dold reported that all was good with the 147.000. He also commented that the folks that put up the original repeater did an impressive using the tube and analog equipment available back in the 70's.

Membership moved to Zoom where a video showing the 147.000 repeater in the early days was presented.

Members moved back to the K6MVR repeater where president Gary Matteson WA6TQJ adjourned the meeting at approximately 2020 hours.
